

## THE EASIEST WAY TO GET CONTACTS

- Customer service is with US directly, so if there's ever an issue, just call or text us!
- We will replace any torn or damaged lenses to even up your supply
- Exclusive rebates from the manufacturer
- You never have to worry about your prescription being incorrect or if you're getting the right thing vs. a generic brand
  - They will never be expired or repackaged
- If your prescription changes within 90 days, we will exchange your boxes for your updated prescription
- 12-month supplies ship directly to you at NO COST!
- We will track your supply every day. If your package is lost or stolen, we will keep in touch with the manufacturer for you!

## READY TO ORDER?

Send us a text! It's THAT simple!

We already have all of your information, so you can simply let us know, any time 24/7, that you are ready to order. We will then:

- send you a secure link to make a payment
- place your order!

If purchasing a year supply, we can ship directly to you at NO COST!

For smaller supplies, we can still ship directly to you for an additional fee, or you can pick them up at our office during our office hours or using our after-hours pick up option!
